## Roundup

POSTED: Monday, March 31, 2008

...Engineered Structures Inc., a commercial general contracting and construction management company that does business as ESI, plans to relocate its corporate headquarters to The Portico at Meridian, a mixed-use project of 24 acres at the southeast corner of Eagle and Franklin roads, Meridian. ESI, general contractor for Portico developer Gardner Ahlquist, said in a release that it plans to occupy two floors of a six-story, upscale office building slated for completion in the fall of 2009. ESI said it will seek a Leadership in Energy and Environmental Design silver certification for the office building from the U.S. Green Building Council. ESI's current headquarters is on West Overland Road in Boise.
